Be the

Congratulations on being elected club treasurer. The role of treasurer is very important, and the work you do this year will help bring more recognition to your club and members. Your job as treasurer is to ensure that the Membership Update Center is always current, set the year's budget and help your club raise money for international and district-specific causes. Make sure to sit down with your advisor and other officers to determine additional responsibilities for your position. Good luck and have a wonderful year.

Official duties

Your Key Club will be as strong as your officer team, and that team is designed to empower each officer to carry out their own duties. When your officers work with one another, the team's success will take precedence over individual success. Below is a list of official duties related to your position, but feel free to add to it based on the needs of your club.

Collect dues. In coordination with the faculty advisor and club secretary, update the club roster and submit dues through the Membership Update Center at keyclub.org/muc.

File the Employer Identification Number (EIN) form with the Internal Revenue Service by February 15 if money collected by the club is not deposited into the school account and reported as part of school-based funds. Forms can be found online at irs.gov. For additional information or questions, contact member services. (For U.S. clubs only)

Prepare the club's budget, present it to the board for approval and ensure that club activities adhere to the budget.

Transact business through

Inform the club of its financial strengths and

Maintain accurate the year, to be reviewed at officers or administration.

Inform the sponsoring Kiwanis club of the Key Club's financial status.

Understand school and club policies regarding student financial accounts relating to school organizations.

monthly weekly annual PAY ALL BILLS APPROVED BY YOUR BOARD AND ADVISOR. COLLECT ALL FUNDS FROM CLUB PROJECTS. KEEP A RECORD OF ALL RECEIPTS AND FILES. ALWAYS HAVE A FINANCIAL REPORT READY FOR BOARD ATTEND ALL CLUB AND OFFICER MEETINGS. PREPARE AN ANNUAL MEETINGS. RECORD ALL THE EXPENDITURES AND INCOME ATTEND BOARD OF DIRECTORS MEETINGS. ORGANIZE ALL FINANCIAL RECORDS. FOR EACH WEEK. RECEIVE FINANCIAL ADVICE FROM YOUR FACULTY AND COLLECT ANY DUES FROM NEW MEMBERS AND SEND TO PLAN AND EXECUTE KIWANIS ADVISOR. KIWANIS INTERNATIONAL. **FUNDRAISING PROJECTS.** RECONCILE ANY BANK ACCOUNT OR SCHOOL ACCOUNT INFORMATION. ATTEND ANY DIVISION OR DISTRICT TRAININGS OR EVENTS. ASSIST IN TRAINING THE TREASURER-ELECT. **NOTE TO SELF NOTE TO SELF** KEY CLUB

Be the Keeper

As the treasurer, you have been entrusted with keeping track of budgets, records, dues and financial records. You will need to be organized, proactive and persistent. You will need to be communicative and consistent. You will be awesome — so let's look at some of your most important activities:

Preparing the budget. Basically, the budget should be a guide for planning the year's activities. The most important first step is getting everyone on the same page. If your club wants to have awesome projects and activities that cost "x" amount, they need to commit to raising "y" amount. If your budget doesn't reflect $x \le y$, you have a problem.

- **Planning and tracking.** Once you have agreed on a budget, figure out how to keep track of incoming and outgoing funds. Come up with a plan to determine how much to spend on each project or activity. As club members work on projects, consistently keep them up to date on how much has been spent and how much is left in the budget. Keep track of records showing club's funds are being spent appropriately. There are lots of online tools and examples, and your district may even have some resources you can utilize.
- **Managing club accounts.** Key Club International is a nonprofit organization, receiving much of its receipts from the general public. The law requires two separate accounts for receipts and expenditures.

Service account: All monies collected from the general public must be returned to the general public. Such money can't be used for club administrative costs, such as printing, conventions and conferences, or travel to events other than service projects.

Administrative accounts: The administrative account is the club's operating account — used to buy supplies, purchase advertising, send members to conventions and conferences, etc. Funds are collected from dues, Kiwanis family members and school subsidies — and they are spent on club administration and/or members.

Funds in the administrative account can be transferred to the service account. However, no funds from the service account may be transferred to the administrative account.

Efficiency is doing the thing right. Effectiveness is doing the right thing.

PETER DRUCKER

deposited. And all checks should note from which account and line item, if appropriate, the money was drawn.

Keeping financial records. You must keep a record of all income, expenses, and balances for each account. The most important thing: record the transactions regularly. When making a payment or

or invoice.

Exploring options. You might ask your faculty advisor: Does our school allow Key Club to have an outside account with a bank or other financial institution? A bank account can be a safe place to keep club funds. If your club has or opens one, always deposit all funds raised or collected promptly of time. And make sure the names of people who can write and the treasurer.

If the club has a bank account, use it to certify your accuracy — reconcile the bank statement sent to you (or your club advisor) with your own records. Here's how:

- 1. Verify all amounts on the statement with the amounts noted in your records.
- 2. Write the bank balance in the appropriate space on the back of the statement.
- 3. Add any deposits not noted on the statement.
- 4. Deduct all outstanding checks not yet cashed.

If something doesn't add up, talk to your advisor about helping you check your work. You may also consider contacting the bank.

Be the Collector

One of the major roles of the treasurer is to collect money. You may be asked to collect and track contributions, payments or donations. You will also be responsible for collecting dues from club members. Key Club International dues are US\$7.

Your district also collects dues. Your club might too. The total district and international dues amount can be found at **keyclub.org/dar/mdcr**. If you collect club dues, make sure the amount is reflected in your club bylaws.

Paying dues

There will probably be some questions about dues from your club. Most members want to know why they pay. Well, the answer is simple: They help pay for the things that make the program possible.

- Payment of dues is required for a student to be considered a member.
- A Key Club must pay club dues to be in good standing and eligible for awards and to attend district and international events.
- Your district dues help provide training to student leaders, support district programs and support general expenses.
- International dues help create resources to support the organization at every level. These resources include promotional materials, posters, membership cards and pins, awards, educational training, the Key Club semimonthly email and annual club support resources.

The fiscal year of Key Club International begins October 1 and ends September 30. **Annual dues are** due December 1. Many clubs choose to pay by the early bird deadline of November 1.

As you collect dues payments, the club secretary is gathering each member's information to update records in the Membership Update Center. Both the Key Club faculty advisor and club secretary have access to the online Membership Update Center at **keyclub.org/muc** to submit annual dues and add new members. Work with your faculty advisor and club secretary to complete the dues submission process.

Being a club treasurer means you look after all of your club members and make sure that they pay their dues, the club has enough money to support everything it does, and they know that without them, nothing would get done.

NOAH MERCK, GEORGIA DISTRICT, CLUB TREASURER

Be the Fundraiser

So where does the income that supports your club come from? Fundraising! Your club can utilize creative ideas to help support both your club and community.

The first step is to set goals. Have an idea about how much money your club will need for its service projects. If your club needs to raise money for social activities or events, that's OK — just make sure to let the public know where the money is going.

Be conscientious, ethical and responsible. Check the Key Club Guidebook, school policies and your district contact for information on fundraising policies before you kick off a project.

Tips for successful fundraising

Decide exactly how long your group will spend on each fundraising project. Be sure everyone knows the project's timeline and keeps the commitment manageable. Keeping the project relatively short will typically keep members and the community from getting burned out.

Only involve group members who want to get involved and have a realistic expectation for participation. Encourage members to participate at a comfortable level. The project shouldn't stress out members or frustrate them.

Set your financial goals before you begin. Try to make sure goals are **SMART**: Specific / Measurable / Achievable / Realistic / Timely

Throughout the project's progress, communicate. Update club members about what's happening, and check in with individual members on successes and challenges.

Be sure the activity or product sold is a good representation of your club. This means the activity or product is aligned with Key Club's values of inclusiveness, leadership, character building and caring.

There are tons of cool fundraising project ideas at keyclub.org. And there are even more on the Kiwanis Children's Fund website. But the very best source might be your own club. Asking members for ideas helps identify a project they're excited to work on. And when they are excited, the sky's the limit. Take suggestions. Hold a fundraising brainstorm meeting. Above all, allow members to take ownership and be creative!

Be the Encourager

So what else can you do to help your club achieve big annual goals? One great way is to apply for a Youth Opportunities Fund grant. That means letting fellow club members know — and inspiring them to put together a great application for the grant.

The Youth Opportunities Fund (YOF) is an endowed fund for Key Club International held within the Kiwanis Children's Fund. YOF grants are given only to Key Clubs or club members. The application deadlines are October 15 at 11:59 p.m. ET and March 1 at 11:59 p.m. ET.

Clubs may request funding assistance ranging from US\$100 to \$2,000. The committee typically awards grants to clubs asking for a portion of a project's total cost — and to clubs that are also working with other organizations to fund and complete the project. The application is online at

keyclub.org/yof.

Guidelines for completing the online grant application can be found online at keyclub.org/yof.

Outstanding leaders go out of their way to boost the self-esteem of their personnel. If people believe in themselves, it's amazing what they can accomplish.
