MESSAGE FROM THE EDITOR

y'all it's finally spooky season which means it's time for all my fav events :) anyways, we're almost through the first 9 weeks! i hope each and every one of you are doing well in school! if you ever have any free time outside of school, you can always put in some service hours! not only will you be helping the community but you'll also be getting many steps closer to leadcon! to my new class reps, congrats! i believe you guys will be the best reps mustang has ever had haha. hopefully everyone had a great september and will have an amazing october!!

bronco alley: every home game, we would bake cookies and brownies, selling them before the football game.

summer olympics (9.28): one of our favorite interclub events w/ key clubs in our district. this year our boys won the basketball tourney w/ the help of their amazing coach, vivian (12).

color run (9.28): the annual 5k color run! this year was without a doubt messier than last year. every member went home colored from head to toe.

meet your 2019-2020 class representatives!

freshmen: amy ha and andrew hoang.

sophomores: quy pham and joe pham.

juniors: lilian hua and audrey fowler.

seniors: vivian hua and mark boyd.

huge shoutout to you guys for getting so much done right after elections. our best reps yet!!

other events we had this month: pancake breakfast, regional training conference, monarch run, birthday bash, book sale, senior bingo, and harn homestead.

several of our events this month undoubtedly brought our club closer :)

MAJOR EMPHASIS PROGRAMS & SERVICE PARTNER

UNICEF is the only organization of the United Nations dedicated exclusively to children. Working with other United Nations bodies, governments and non-governmental organizations, UNICEF helps to provide for children's needs in more than 150 developing countries through community-based services in primary health care, basic education and safe water and sanitation.

Members work together by sponsoring fundraising events and conducting service projects at their local children's hospitals. Contact your local CMN hospital and invite a representative to a club meeting to share ideas and create a partnership.

Since the 1940s, Key Clubs have worked with March of Dimes to make a positive impact in the lives of babies everywhere. Today, Kiwanis members continue that culture of service by supporting the March of Dimes all year long by hosting service projects, raising funds and educating communities about the crisis of preterm birth.

Thirst Project is a nonprofit organization that works with the support of young people to END the global water crisis by building freshwater wells in developing communities that need safe, clean drinking water. Why Water? Health and Sanitation: Waterborne diseases kill more children every single year than AIDS, Malaria, and all world violence combined. Small children typically do not have strong enough immune systems to fight diseases like cholera, dysentery, or schistosomiasis.
